Both agents were operating in full uniform and in a fully marked Border Patrol sedan. (b) (7)(E) (b) (7)(E)</p> <p>At approximately 6:00 p.m., Agents (b) (6), (b) (7)(C) observed a silver Nissan Sentra (AZ (b) (6), (b) (7)(C)) pass by their stationary location along the I-15 northbound. As the vehicle passed by, the agents observed that neither the driver nor the visible passenger looked over in the direction of the marked unit. The agents further observed that, after passing by the fully marked Border Patrol sedan, the driver began to slow his speed of travel on the freeway. This was evidenced by the fact that when the vehicle approached the agents it appeared to be traveling with the flow of traffic; however, after passing by the stationary agents, traffic around the vehicle began to swerve around them due to their slowing speed. The agents elected to follow the vehicle to further observe the occupants.</p> <p>As Agents (b) (6), (b) (7)(C) approached the vehicle from behind, they observed that both the driver and passenger were sitting very still in their seats, not interacting with one another, and not looking around. In the agents' experience, those illegally present in the United States and those involved in illegal activity will often react in this manner when approached by law enforcement in an attempt to avoid detection and apprehension.</p> <p>As Agents (b) (6), (b) (7)(C) continued to drive alongside the vehicle, they observed that while they were driving beside the vehicle on the passengers side the driver would only check the driver side mirror; however, when the agents repositioned their vehicle to the drivers side the driver would only check the passengers side mirror. <p>collective experience, Agents (b)(6) & (b)(7)(c) recognized the attempt to ignore the presence of their marked unit as a common maneuver utilized by those involved in illegal activity and those illegally present in the United States.</p> <p>Agent (b)(6) & (b)(7)(c) then relayed the vehicle plate to Dispatch and requested records checks.</p> <p style="text-align: center; font-size: 48pt;">(b) (7)(E)</p> <p>After driving alongside the vehicle, the agents positioned their sedan ahead of the vehicle. At this time, the agents observed that the driver slowed the vehicle in an attempt to keep the vehicle from again pulling alongside the marked Border Patrol sedan. As Agent (b)(6) & (b)(7)(c) slowed the speed of her sedan, the driver of the vehicle slowed his speed as well in order to stay behind or in the blind spot of Agent Pritchard's sedan. This too is a tactic often utilized by the smugglers of illegal aliens and narcotics in an attempt to avoid detection and apprehension by law enforcement.</p> <p>Agents (b)(6) & (b)(7)(c) followed and observed the vehicle for approximately 13 miles, from Old Highway 395 to the location of the US Border Patrol's I-15 Checkpoint. During this time, the agents observed that the driver and passenger never once looked at each other or conversed with one another. Rather, both individuals remained in a "statue like" position within the vehicle, sitting very still. Everyday people driving in their vehicles will often be conversing with one another, looking around at other vehicles and scenery, and playing or talking on cell phones. However, those involved in illegal activity and those illegally present in the United States will often remain very still and refrain from moving around, talking, or interacting with one another out of fear of detection.</p> <p>At this time Agents (b)(6) & (b)(7)(c) initiated a vehicle stop along the Interstate 15 northbound. The vehicle yielded at the US Border Patrol's I-15 Checkpoint.</p> <p>Agent (b)(6) & (b)(7)(c) approached the vehicle and identified himself as a Border Patrol Agent to the occupants. Through brief questioning, Agent (b)(6) & (b)(7)(c) determined that both the driver and the passenger were illegally present in the United States. Both subjects readily admitted to being citizens and nationals of Mexico illegally present in the United States. Both subjects further stated that they had no immigration documents of any type and no petitions pending.</p> <p>Both subjects were taken into custody and transported to the Murrieta Border Patrol Station for further identification and processing.</p> <p>At the station, both subjects biographical and biometric information was entered into processing systems. These systems along with records checks revealed the following:</p> <p>The driver, identified as (b)(6) & (b)(7)(c), has no prior criminal history and no outstanding wants or warrants. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>At approximately 8:00 am the agents observed a vehicle with two occupants traveling eastbound on Mission Road. Upon noticing the uniformed agents, the subjects appeared to become very nervous. The subjects immediately looked in the opposite direction and acted as if never seeing the Border Patrol Agents. The agents proceeded to follow the vehicle for further inspection. As the agents followed the vehicle, the subjects driving habits noticeably changed. The vehicle came to an abrupt stop and immediately turned at Industrial Way, as if to try and evade the marked unit. This action is common among illegal immigrants and their smugglers in the presence of the Border Patrol. The vehicle then came to a stop and the two individuals absconded from the vehicle. The agents gave chase and apprehended both subjects. The agents questioned all subjects as to their citizenship. All subjects freely stated to being citizens of Mexico. All subjects were questioned and admitted of not having any immigration documents to remain in the country legally and to have crossed at a place other than a designated port of entry. All were brought back to the Murrieta Border Patrol Station for Processing.</p> <p>Once the agents arrived at the station, (b) (6), (b) (7)(C) was again questioned and admitted to being a Mexican citizen without proper immigration documents to remain here legally.</p> <p>Also at the station, as a routine step in processing, (b) (6), (b) (7)(C) photograph, biographical, and biometric information was entered into processing systems. <p>roving patrol duties for the 6:00 a.m. to 2:00 p.m. shift. The Agents were assigned a fully operational service sedan with all lights and safety equipment visible to the motoring public.</p> <p>At approximately 8:30 a.m., the Agents parked along Highway 74. As the Agents were observing traffic, they noticed white Ford pick-up approach their position. As the vehicle passed the Agents location, they noticed two male occupants became very stiff and rigid at the sight of the marked sedan. The Agents then pulled into traffic on Highway 74 to gain a better view of the vehicle's occupants. The Agents pulled along the driver's side window and noticed the occupants refused to make eye contact with the Border Patrol Agents. At this point the Ford slowed down immensely in an attempt to create distance from the marked Border Patrol sedan. The Ford was now traveling considerably slower than the flow of traffic. The Agents recognized these behavioral indicators as common amongst aliens present in the United States illegally. The Agents mirrored the Ford, still monitoring the driver's unusual behavior. While being paced by the Border Patrol Agents, the driver continued to stare straight forward, refusing to acknowledge that the Agents had been pacing the vehicle for some time. Based on their prior training and experience, the Agents became suspicious the driver was in violation of immigration law. Suspecting the occupants of the vehicle were in violation of immigration law, the Agents activated the sedan's emergency lights in order to conduct a vehicle stop on the Ford. The vehicle yielded on Highway 74.</p> <p>Interview/Arrest:</p> <p>The Agents exited their service sedan, approached the Ford, and identified themselves as United States Border Patrol Agents. The Agents asked both subjects to state their citizenship. Both subjects freely and voluntarily admitted to being citizens of Mexico, present in the United States illegally. The Agents then placed both subjects under arrest, and transported to them Murrieta Station for processing.</p> <p>Processing/Investigation:</p> <p>At the station, a secondary immigration inspection was performed on both subjects. Both again freely admitted to being citizens of Mexico without possessing any legal immigration documents.</p> <p>Also at the station, as a routine step in processing, the subjects had their photograph, biographical, and biometric information entered into processing systems. (b) (7)(E)</p> <p>(b) (7)(E) The Highway 78 is an east/west route that connects from the desert regions of Southern California to the coastal areas. This route intersects the Interstate 15 that travels north and south from the border of Mexico and Canada. I-15 allows alien and smuggling traffic access to major roadways that travel throughout the United States.</p> <p>At approximately 7:30 am, several agents were patrolling this corridor in their marked service vehicles. These vehicles are all fully equipped with fully-visible agency identification and markings and emergency lights. As the agents approached an intersection along the Highway 78 corridor, the agents observed several persons congregating near several buildings. Upon the approach of the vehicles, many of these persons turned away from the agents and began running. These observable actions by the subjects are frequent of groups of illegal aliens when startled by Border Patrol presence. As per all of the agents' experience, this act of fleeing is frequent of illegal aliens attempting to avoid detection and apprehension by U.S. Border Patrol. Suspecting that these fleeing subjects to be illegal aliens, several agents exited their vehicles and gave pursuit in order to detain and perform immigration inspections on these subjects. After some time, several subjects were in fact detained and given inspections.</p>

These subjects also admitted that they were never lawfully admitted into the United States and had entered at times and place other than designated ports-of-entry. These subjects were never inspected or admitted by a designated immigration official. Based off of the results of the inspections, these subjects were arrested by the agents for being present in the United States without admission or inspection. The subjects were transported to the Murrieta station for processing.</p> <p>At the station (b)(6) & (b)(7)(c) fingerprints were entered into the (b)(7)(E) system for positive identification (b)(7)(E)</p> <p>IMMIGRATION: A# (b)(6) & (b)(7)(c)</p> <p>CRIMINAL: FBI# (b)(7)(E)</p> <p>(b)(7)(E)</p> <p>Subject did not meet guidelines for prosecutions.</p> <p>(b)(6) & (b)(7)(c) requested and was granted a voluntary return to Mexico.</p>

As the agents approached the intersection of Quince and Norlak the Agents observed a 1999 gold Chrystler Concord. Two subjects were in the rear of the vehicle looking inside of the trunk. As the Agents passed by, one of the subjects quickly opened the driver's side door, turned on the vehicle and drove away from the Agents. Agents (b)(6) & (b)(7)(c) were able to catch up to the vehicle and make a vehicle stop utilizing their emergency equipment. The driver, later identified as (b)(6) & (b)(7)(c) drove slowly and eventually yielding in the parking lot of the Hostess Bakery Store.
